As an active member of the Master Builders Association of King and Snohomish Counties, Heritage participates with the Remodelers Council, as well as several committees within the MBA. Heritage takes pride in their other association affiliations including the Building Industry Association of Washington (BIAW), National Association of Home Builders (NAHB), the Remodelers 20 Club, a national remodeling group, the Redmond Rotary and the Seattle Seafair Commodores. These associations provide Heritage with identity, credibility, educational opportunities, networking, community services and a voice in the governing processes.
