Sun

A surreal landscape scene. In the upper center, a large, glowing golden sun with intricate mandala-like patterns radiates light. The sky is a deep, dark blue. Below the sun, dark, jagged mountain peaks are silhouetted against the bright light. In the foreground, a rugged, reddish-brown mountain slope descends from the right. Two small, dark silhouettes of a couple are standing on the ridge of this slope, looking towards the sun. The lower-left foreground is dominated by a lush, green, textured area that looks like moss or a dense carpet of small plants. A single, dark green evergreen tree stands on the right side of this green area. The overall composition is vertical and framed by a dark blue border.
